向学校提供确诊新冠肺炎报告

您好! 为了控制新冠肺炎疫情, 本国教育部要求全国学校密切观察教职员和学生的健康状况, 因此学生的家庭成员若有确诊新冠肺炎, 家长需马上联系班导师做报告。若是学生确诊, 家长除了需联系班导师之外, 还需填写以下Google Form, 以便校方能够即时向教育部做报告。Google Form的链接为:

Dear Parents and Students,

Report of Confirmed Case of Covid-19 to the School

To control the spread of the Covid-19 infection, the Malaysian Education Department has requested all schools to observe the health status of teachers, staff and students at all times. Hence, if any family member of a student has been infected with Covid-19, the parents are required to report to the form teacher. If a student has contracted the Covid-19 disease, parents are requested to, besides informing the form teacher, fill in a Google Form so that the school can report to the education department immediately. The link for the Google Form is :

To stop the transmission of Covid-19, parents are urged to monitor the health status of their children and to always follow the Standard Operating Procedure (SOP).

Thank you.
